The Total Solution Exhibition for Electronic Equipment

Exhibition fees

Exhibition fees	1 booth / 9m ² *including tax
Non-Members	Yen 442,800
Members *1	Yen 378,000
Other exhibition related expenses	
Corner charge (per booth) *2	Yen 16,200

*1 Members of the WECC member associations (CPCA, KPCA, TPCA, HKPCA, IPC, EIPC, and IPCA)
*2 Based on the availability, corner booth is reserved.
In-line type: 2 side open plan
Block type: 3 side open plan

How to apply

Please fill out the Application Form in consideration with follows:
- Carefully read the "Exhibition Regulations"
- Select the exhibition based on your product
The Secretariat Office will send the invoice. Based on the invoice, please make the payment by the due date.

Application deadline

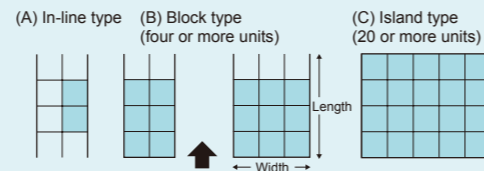

Friday, February 12, 2016

Cancellation charges

If an exhibit is cancelled to suit the exhibitor's circumstances, cancellation charges (full or partial fees) shall apply as below.

Date of receipt of written notice of cancellation	Cancellation charges
By Friday, March 11, 2016	50% of booth fees
From Saturday, March 12, 2016 onward	100% of booth fees

Booth type

Determination of Booth Location

- Determined at the Exhibitors' Briefing (scheduled on March 11, 2016)
- A first-come-first-served basis (earlier applicants get priority selection) for the overlaps of desired booth location
- On behalf of absentee, The Secretariat Office selects the booth location

Package booth

We are offering cost-effective package booth including basic furnishings and ornamentation as a set.

1 booth / 1 side open plan
Yen 81,000 (excluding tax)

2 booths / 1 side open plan
Yen 127,440 (excluding tax)

Set item	1 booth	2 booths
Parapets	1 Set	1 Set
Carpet	9m ²	18m ²
Company name display	1 Set	1 Set
Lighting 40 W	1 light	2 lights
100W spotlights	2 lights	4 lights
Power outlet 100V	1	1
Electrical wiring	1.3Kw	1.6Kw
Reception set	1 Set	1 Set
Display stands	2 stands	4 stands
Catalog stand	1 Set	1 Set

The above prices are fees for furnishing and ornamentation only. Specifications and prices are subject to change. For the details, please refer to the Exhibitors Manual available at the Exhibitors' Briefing in March, 2016.

Schedule prior to the Exhibition

	January, 2016	February	March	April	May	June
Preparation for the exhibition		Application deadline Friday, February 12	Exhibitors' Briefing Booth location selection meeting Friday, March 11	Deadline for submission of application documents Mid-April	Installation period Monday, May 30 & Tuesday, May 31	Exhibition open Wednesday, June 1 to Friday, June 3
Preparation for promotion	Starting to put up posters		Starting business matching Starting to send e-mail newsletters	Sending invitations Starting registration to the exhibition	Visitor promotion

“Mount, Connect, Manufacture, and Expand” in The Total Solution Exhibition

- Highly specialized and focused
- Exhibition of large attendance from all over the world

Outline of the exhibition

Exhibition Period: Wednesday, June 1 to Friday, June 3, 2016

Venue: East Exhibition Hall 2 - 5, Tokyo Big Sight, Tokyo Japan

Organizers: Japan Electronics Packaging and Circuits Association (JPCA)
Japan Institute of Electronics Packaging (JIEP)
Japan Robot Association (JRA)

Co-organizers: Electronic Device Industry News (Sangyo Times, Inc.)
Electric Wire & Cable News (KOGYO TSUSHIN CO., LTD)

Sponsors: Ministry of Economy
(Tentative) Trade and Industry and Kanto Head Office of Organization for Small & Medium Enterprises and Regional Innovation, JAPAN

Overseas Cooperation:

World Electronic Circuits Council (WECC) Member Associates:
China Printed Circuit Association (CPCA), European Institute of Printed Circuits (EIPC), Hong Kong Printed Circuit Association (HKPCA), IPC-Association Connecting Electronics Industries (IPC), Indian Printed Circuit Association (IPCA), Korea Printed Circuit Association (KPCA), Taiwan Printed Circuit Association (TPCA)

Managed by: Japan Electronics Packaging and Circuits Association (JPCA).
Secretariat Office: ICS Convention Design, Inc.
Entrance fee: 1,000 yen (including tax)
*Free Admission for visitors with invitations and those who have pre-registered online.

Visitors Visitors from various categories

Registered participants 38,870 people (*in 2015)

Audiences Very focused audiences collecting information and interacting/discussing with lecturers

260 sessions 11,265 attendants (*in 2015)

Comprehensive electronics exhibition encompassing all products, technologies and services in electronic circuit production, development and research

Event with the all-in participation of the electronic circuit industry

Collaboration with the various sectors from industry to academia

Collaboration with up and down stream

The Total Solution Exhibition for Electronic Equipment assures exhibitors connecting with various categories as follows:

PCB manufactures, semiconductor designers/fabricators, electronic component manufactures, electric/electronic device manufactures, material/chemical suppliers, electric wire/cable manufactures, academia/research organizations, trading houses, etc.

Outline of each exhibition and products to be exhibited

JPCA Show 2016

46th International Electronic Circuits Exhibition

Organizer: Japan Electronics Packaging and Circuits Association (JPCA)

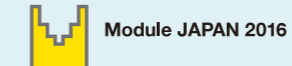

● PWB Technology

Printed wiring boards, Design process technologies, Materials for wiring boards, Manufacturing process technologies, distribution of equipment and materials, and environmental systems

● Module Japan

Module substrate, Module mounting, Design, Module substrate / packaging materials, Manufacturing process technologies and equipment and materials, Distribution and environmental systems

● EMS Japan

Printed wiring mount board, Mounted module substrate, Manufacturing, mounting, assembling, and inspection contract services of various kinds of integrated circuits

Large Electronics Show 2016

Organizer: Japan Electronics Packaging and Circuits Association (JPCA)

Co-organizer: Electronic Device Industry News (Sangyo Times, Inc.)

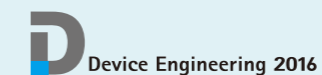

● PE PROCESS

Printed electronics substrate, Design and analysis systems, high-performance materials, Printing and coating equipment / systems, Transportation systems, curing, drying, and sealing technologies, Products applying printed electronics

● Device Engineering

Electronics parts, MEMS, and various kinds of devices, Design and analysis systems, Various kinds of nano-level materials, Micro processing equipment / systems, Inspection and assessment measurement techniques, Various products applying nanotechnology

● SS (Solid-State) Lighting

LED/OLED (Organic EL) and their application products (lighting devices, energy, displays, touch panels, etc.), LED/OLED packaging materials, design and analysis systems, Inspection and assessment measurement techniques, LED/OLED manufacturing equipment / systems and related subsidiary materials

2016 Microelectronics Show

30th Advanced Electronics Packaging Exhibition

Organizer: Japan Institute of electronics Packaging (JIEP)

ALL high-density mounting technologies

Academic Plaza
eX-tech

JISSO PROTEC 2016

18th Jisso Process Technology Exhibition

Organizer: Japan Robot Association (JRA)

Electronic component placement machines and related equipment and systems, Semiconductor packaging machines and systems, Inspection / test equipment, Packaging design systems

WIRE Japan Show 2016

WIRE Japan Show (Electronic Wire, Cable, and Connector Exhibition)

Organizer: Japan Electronics Packaging and Circuits Association (JPCA)

Co-organizer: Electric Wire & Cable News (KOGYO TSUSHIN CO., LTD)

Industrial equipment, Wires, cables, and connectors, Electric wire processors, wiring member, and wire harness, Electric wire or cable measuring instrument, Manufacturing equipment (wire, cables, and harness), Inspection equipment

Monotsukuri Fiesta 2016

Organizer: Japan Electronics Packaging and Circuits Association (JPCA)

Co-organizer: Electronic Device Industry News (Sangyo Times, Inc.)

- 3D-MID Pavilion
- Shaping the Dream Supporting Exhibition for the Next Application
- NEDIA Electronic Device Exhibition
- Sensor / IoT pavilion
- Pavilion of local governments (Tentative)
