Visitor's Participation Project	
Exhibition of Substrate Manufacturing Process [Entrances to East Hall 2 and Hall 6/3I-03]	
It contains diagrams that break down the printed circuit board manufacturing process in an easy-to-understand manner, as well as related exhibitor information for the JPCA Show. It is especially recommended for young people who have just entered the company and students.	
Consultation corner [3H-06]	
Students are encouraged to stop by first as this section provides tips for student visitors on how to enjoy the exhibition. Exhibitor information for student visitors will also be available. Also, guided tours of the venue will be available from 10:30 to 11:15 on all days (first 20 visitors each day).	
Jisso Trial corner using Robot Kit [3G-01]	
You can experience simple soldering using the work kit.	
New employees at semiconductor-related companies and employees in departments with few opportunities to engage in manufacturing.	
It is also recommended for students.	
Stamp Rally [Prize Exchange : 3J-03]	
Visit the official sponsor booth and collect stamps!	
Please visit our booths and see the featured products and technologies. If you collect all the stamps, you will receive a meal ticket or a prize!

The 19th JPCA AWARD	
We are pleased to announce that the JPCA Award Selection Committee has selected the winners of the 19th JPCA Award after a rigorous screening process.	
The JPCA Award are given to companies that have made a presentation to the judging panel of academia, the electronic circuit industry, and editors of professional journals based on the following criteria: "originality (uniqueness and originality)," "development potential and future potential in the industry," "reliability," and "relevance to the times."	
The JPCA Award Selection Committee, consist of experts from academia, the electronic circuit industry, and editors of technical journals, conducts rigorous deliberations.	
The JPCA Award has been presented since 2005 to products and technologies that have made significant contributions to the advancement and development of electronic circuit technology and industry.	
[Awards Ceremony] Seminar Venue B: Wednesday, May 31 16:40~16:55	
The 19th JPCA Award Winners	
■ TAIYO INK MFG CO.,LTD	Booth No. 68-03
■ USHIO INC.	Booth No. 2C-06
■ Mitsubishi Gas Chemical Company INC.	Booth No. 6A-04

2023 Academic Plaza Award	
The JIEP Exhibition Committee has chosen the following for the 2023 Academic Plaza Award, from the presentations submitted for presentation at the Academic Plaza for the excellence of their contents.	
[Awards Ceremony] Seminar Venue E : Wednesday, May 31 16:40 ~ 17:00	
■ Nihon University	
■ Suwa University of Science, Fujita Corporation, Tokan Engineering	
■ Nihon University	
■ Sanyo-Onoda City University, Lotus Thermal Solution Inc.	
Academic Plaza 10 consecutive years exhibitors	
■ GUNMA UNIVERSITY, NATIONAL INSTITUTE OF TECHNOLOGY (KOSEN), NAGANO COLLEGE	

29th Semiconductor of the Year 2023	
The Semiconductor Device Division, Semiconductor Manufacturing Equipment Division, and Semiconductor Electronic Materials Division were selected for the "Semiconductor of the Year 2023" award.	
[Awards Ceremony] Seminar Venue G : Wednesday, May 31 14:00 ~	
[Semiconductor Device Division]	
Grand Prix	Kioxia Corporation, Western Digital Corporation
Outstanding performance award	Renesas Electronics Corporation
Outstanding performance award	Saga University, Oibray Co., Ltd.
[Semiconductor Manufacturing Equipment Division]	
Grand Prix	NuFlare Technology, Inc.
Outstanding performance award	SCREEN Semiconductor Solutions Co., Ltd.
Outstanding performance award	Toray Engineering Co., Ltd.
[Semiconductor Electronic Materials Division]	
Grand Prix	Dai Nippon Printing Co., Ltd.
Outstanding performance award	Resonac Corporation
Outstanding performance award	Daicel Corporation
